

TAKE A SKI

Chill out in style or enjoy an adrenaline-fueled adventure in **Jackson Hole, Wyoming's A-list winter wonderland**

Every sporty star in Hollywood seems to have swapped their stilettos for ski boots this month, and the Jackson Hole Mountain Resort in Teton Village, Wyo., is the destination of choice for celeb snow bunnies.

Heidi Klum, Ryan Reynolds and Robert Downey Jr. are just a few of the stars who have hit the slopes in Teton County recently. **Uma Thurman** explored Granite Hot Springs, while director **Rob**

Reiner enjoyed a multiday snowmobile adventure to nearby Yellowstone National Park with Jackson Hole Snowmobile Tours. (jacksonholesnowmobile.com)

For those who feel safer on four wheels, grab a camera and watch for elk, bison and moose in the Grand Teton National Park on a Jackson Hole Wildlife Safari (jacksonholewildlifesafaris.com). You might even be lucky enough to spot local celebs, like **Harrison Ford** or **Sandra Bullock**, in their natural habitat!

Sandra has owned a home in Jackson Hole for several years.

SLEEP ON THE SLOPES

The Snake River Lodge & Spa, a RockResort, in Teton Village is located just 50 yards from the main ski lifts. Singer and mom-to-be **Jewel** and hubby **Ty Murray** vacationed in one of the luxurious 153-room property's elegantly rustic penthouse suites. Rates start at \$225 per night for Lodge Rooms and include free in-room Wi-Fi, morning coffee and ski valet service. (snakeriverlodge.rockresorts.com)

PARTY WITH THE STARS

Just a few miles from Teton Village, downtown Jackson offers plenty of dining options. Try spiced hot chocolate at the Atelier Ortega chocolate and pastry shop, where Heidi indulged her sweet tooth (atelierortega.com), or grab an Elk Melt at Sweetwater Restaurant, where Ryan ate lunch at the end of December. Justin Timberlake loved the live music at the Million Dollar Cowboy Bar. For another late-night option, try a fruity Elk Hunter cocktail at the Asian-themed Ignight. (ignightjacksonhole.com)

Last year, Justin partied in Jackson Hole while girlfriend Jessica Biel climbed Mt. Kilimanjaro in Africa.
